GRANT SUPPORT

Current Grant/Contract Support

1. Principal Investigator/Project Director. *University of Missouri-Kansas City SBIRT (UMKC-SBIRT): Increasing the Impact of SBIRT Training Across Health Professions*. Center for Substance Abuse Treatment, Substance Abuse and Mental Health Services Administration. 09/30/16 – 09/29/2019, \$859,979.
This project is implementing a sustainable SBIRT training curriculum into the UMKC dentistry, medicine, internal medicine residency, and emergency medicine residency programs, that will also be disseminated to local and regional healthcare systems.
2. Evaluator. *CDC's Capacity-Building Assistance (CBA) Provider Network (CPN) National Resource Center* (Krom, PI). Centers for Disease Control and Prevention. 4/1/14 - 3/31/19, \$7,481,887.
The National Resource Center serves to coordinate the work of the Capacity-building Provider Network (CPN), which is the CDC's flagship program to provide high quality capacity-building assistance (CBA) services for health departments, community-based organizations, and healthcare organizations in the delivery of high-impact HIV prevention strategies.
3. Evaluator & Implementation Specialist. *Mid-America Addiction Technology Transfer Center Region 7* (Stilen, PI). Center for Substance Abuse Treatment, Substance Abuse and Mental Health Services Administration. 10/1/17 - 9/30/22, \$3,876,470.
The Mid-America ATTC serves HHS Region 7 (Iowa, Kansas, Missouri, and Nebraska) by developing and conducting training and technology transfer activities to meet the identified needs of the addiction treatment services workforce.
4. Project Coordinator/Site PI. *Substance Abuse Treatment to HIV care (SAT2HIV)* (Garner, PI). National Institute on Drug Abuse. 7/1/14 - 6/30/19, (\$123,308 contract).
This Type 2 Effectiveness-Implementation Hybrid Trial is testing the effectiveness of a motivational interviewing-based brief intervention for substance use within community-based HIV/AIDS service organizations.

5. Evaluator. *Fostering the Integration of Primary and Behavioral Health Services: Interprofessional Team-Based Care for Rural, Medically Underserved Patients* (Kimble, PI). Health Resources and Services Administration. 07/01/15 - 06/30/18, \$1,490,226. This project is providing interprofessional training to foster a collaborate practice environment designed to deliver safe, patient-centered care, through coordinated health professions, focused on primary care, while expanding access to behavioral health telemedicine services in a rural federally qualified health center system.
6. Substance Use Disorder Expert. *Substance Use Disorder ECHO: Missouri Opioid State Targeted Response (Opioid STR)* (Winograd, PI). Substance Abuse and Mental Health Services Administration to Missouri Department of Mental Health (contract through the University of Missouri-St Louis). 6/1/17-5/31/19, (\$13,000 contract). The goal of this portion of the Opioid STR is to provide Project ECHO based education and training to rural healthcare providers on medication-assisted treatment for opioid use disorders.
7. Co-investigator. *Enhancing Capacity for Mental Health Research and Care in Cambodia* (Paul, PI). National Institute of Mental Health. (contract through the University of Missouri-St Louis) 08/14/17 – 06/20/22, (\$179,869 contract). The goals of this project are to strengthen mental health research capacity of stakeholders in Cambodia, define the acceptability and feasibility of rendering culturally relevant trauma-informed care, and determine the effectiveness of a culturally-informed EBT to reduce symptoms of anxiety and depression.
8. Advisor. *Screening, Brief Intervention and Referral to Treatment (SBIRT) Health Professions Student Training – An Inter-University Collaboration* (Pickard, PI). Center for Substance Abuse Treatment, Substance Abuse and Mental Health Services Administration. (contract through the University of Missouri-St Louis) 9/30/15 - 9/29/18, (\$21,288 contract). This project is developing a multifaceted, sustainable SBIRT training program, integrating it into Bachelor of Social Work and Master of Social Work curricula at two urban universities in St Louis, Missouri - the University of Missouri-St Louis and St Louis University, and incorporating it into existing systems of care throughout the region.

Past Grant/Contract Support

1. Evaluator & Implementation Specialist. *Mid-America Addiction Technology Transfer Center Region 7* (Stilen, PI). Center for Substance Abuse Treatment, Substance Abuse and Mental Health Services Administration. 10/1/12 - 9/30/17, \$3,250,000. The Mid-America ATTC served HHS Region 7 (Iowa, Kansas, Missouri, and Nebraska) by developing and conducting training and technology transfer activities to meet the identified needs of the addiction treatment services workforce.

Center of Excellence (CoE) on Behavioral Health for Pregnant and Post-Partum Women (PPW) and their Families (Stilen, PI). Center for Substance Abuse Treatment, Substance Abuse and Mental Health Services Administration. 10/1/15 - 9/30/17, \$999,435.

The CoE PPW at Mid-America ATTC strengthened the ability of the behavioral healthcare workforce to serve the PPW population through development of a family-centered national curricula, web-based toolkit, and dissemination to diverse stakeholders.

2. Principal Investigator/Project Director. *Transforming the Academic Preparation of Health Professionals: Competency-Based SBIRT Training (UMKC SBIRT)*. Center for Substance Abuse Treatment, Substance Abuse and Mental Health Services Administration. 9/01/13 – 2/28/17, \$943,223.
This project integrated a sustainable SBIRT training curriculum into baccalaureate and advanced practice nursing and master of social work programs at the University of Missouri-Kansas City, and disseminated it to local and regional (Western Missouri/Eastern Kansas) healthcare systems and training programs.
9. Evaluator. *Cultivating an Empathic Understanding of Aging: An Interprofessional Approach to Enhanced Provider-Patient Relationships as the Cornerstone of Person-Centered Care*. National Center for Interprofessional Practice and Education. 10/01/16 – 09/30/17, \$21,859.
This project trained nursing, dental, pharmacy, medicine, and law students in interprofessional practice and geriatric care, through didactics and a service learning project at two urban community-based older adult services providers.
3. Evaluator. *Improving Fragmentation in Healthcare: Employing Interprofessional Education for Managing Multiple Chronic Conditions in an Urban Setting* (Brommelsiek, PI). Health Resources and Services Administration. 07/01/13 - 06/30/16, \$632,138.
This project trained advanced practice nursing, pharmacy, dentistry, and social work students in interprofessional education and practice by improving interpersonal communication and ethical decision making in caring for medically underserved persons with multiple chronic conditions (MCC) at an urban community health center.
4. Implementation Specialist. *National Clinical Training Center for Family Planning/Family Planning Clinical Training Cooperative Agreement* (Witt, PI). Department of Health and Human Services, Office of Population Affairs, Office of Public Health and Science. 07/01/15 – 06/30/18 (served 07/01/15 – 06/30/16), \$2,280,000.
The National Clinical Training Center for Family Planning provided quality clinical training in support of clinical family planning nurse practitioners, certified nurse midwives, physicians and physician assistants, including development of a national family planning training symposium, national reproductive health conference and national clinical webinars.
5. Evaluator. *Bridging the Disparities Gap: Strengthening Community-based Healthcare Delivery in an Urban Setting* (Kimble, PI). Health Resources and Services Administration. 9/1/12 - 12/31/15, \$1,467,979.
This project created interprofessional education curriculum and interprofessional collaborative practice (IPCP) teams of nurse practitioners, other health professionals, and students at two safety-net clinics for underserved populations in Kansas City, MO.

6. Pre-Implementation Needs Assessment Specialist. *Trials Coordinating Center to Reduce Substance Use, HIV Risk Behaviors, & Crime* (Dennis, PI). National Institute on Drug Abuse. 7/13 - 3/14 (contract).
I provided consultation to the Coordinating Center which assisted the JJ-TRIALS Collaborative of six research/-based juvenile justice systems to effectively implement evidence-based HIV and substance use prevention and treatment practices.
7. Implementation Specialist and Steering Committee Member. *Health Literacy Initiative*. Health Care Foundation of Greater Kansas City. 10/12 - 12/14, \$10,000.
This grant initiative provided support to Kansas City area safety net clinics to adopt and implement evidence-based or promising health literacy practices to improve patients' health knowledge and behaviors.
8. Senior Manager of Evaluation. *Mid-America Addiction Technology Transfer Center* (Stilen, PI). Center for Substance Abuse Treatment, Substance Abuse and Mental Health Services Administration. 10/07 - 9/12, \$2,500,000.
The Mid-America Addiction Technology Transfer Center served Arkansas, Kansas, Missouri, Oklahoma, and Nebraska by developing and conducting training and technology transfer activities to meet the identified needs of the addiction treatment services workforce.
9. Evaluator. *Community Reinforcement Approach [CRA] Program* (Stidham, PI). Health Care Foundation of Greater Kansas City to Johnson County Mental Health Center. 09/12 - 9/13, \$300,000 total (\$14,000 contract).
This project evaluated two evidence-based practices, the community reinforcement approach and assertive continuing care, for adolescent and adult substance users and included a longitudinal client outcome study.
10. Evaluation Director. *Family Assertive Community Treatment* (Stidham, PI). Center for Substance Abuse Treatment, Substance Abuse and Mental Health Services Administration to Johnson County Mental Health Center. 10/09 - 9/12, \$900,000 total (\$180,000 contract).
This project evaluated two evidence-based practices, the adolescent community reinforcement approach and assertive continuing care, for adolescent substance users and included a longitudinal client outcome study.
11. Evaluator. *Addiction Training for Nurses Using SBIRT (ATN-SBIRT)*. Health Resources and Services Administration to University of Pittsburgh-School of Nursing. 11/10 - 11/12 (\$31,200 contract).
This project developed and provided training on substance use screening, brief intervention, and referral for treatment (SBIRT) for nursing students at the University of Pittsburgh-School of Nursing.
12. Consultant. *Co-Occurring Disorder Learning Community*. National Council for Community Behavioral Healthcare to Hazelden. 12/11 - 3/13.
I provided instruction via webinar sessions on evidence-based practices for co-occurring substance use and mental health disorders.

13. Dissemination Consultant. *Training Residents Across Disciplines in SBIRT Services* (Vinson, PI). Center for Substance Abuse Treatment, Substance Abuse and Mental Health Services Administration to University of Missouri-Columbia. 10/09 - 9/12. (\$75,077 contract).
This project developed and provided training on substance use screening, brief intervention, and referral for treatment (SBIRT) for residents, medical students, and other health professionals.
14. Consultant. *National Evaluation of Adolescent Assertive Family Treatment*. Center for Substance Abuse Treatment, Substance Abuse and Mental Health Services Administration to Advocates for Human Potential. 10/09 - 9/12.
This was a cross-site evaluation of 13 grants to implement adolescent community reinforcement approach and assertive continuing care for adolescent substance users.
15. Conference Chair. *Joint Meeting on Adolescent Treatment Effectiveness*. Center for Substance Abuse Treatment, Substance Abuse and Mental Health Services Administration. 6/11 - 6/12. (\$18,015 contract).
I served as Chair of the 2012 JMATE conference, April 10-12, 2012, including organizing and directing planning for the scientific meeting portion of the conference; organizing and directing program, sponsor, award, and review committees; and coordinating young adult and family member input into conference.
16. Consultant. *Development of Dual Diagnosis Capability in Addiction Treatment (DDCAT) and Dual Diagnosis Capability in Mental Health Treatment (DDCMHT) Indexes' Toolkits*. Center for Substance Abuse Treatment, Substance Abuse and Mental Health Services Administration to Westat. 1/11 - 9/11.
This project developed administration and implementation toolkits for the DDCAT and DDCMHT indexes that measure organizational-level treatment capacity.
17. Principal Investigator. *Missouri Foundation for Health Co-Occurring Disorders Initiative Evaluation* (Gotham, PI). Missouri Foundation for Health to Missouri Institute of Mental Health. 5/07 - 5/11, \$933,856 total.
This was a cross-site evaluation of 24 grants to local treatment providers that implemented evidence-based practices for consumers with co-occurring substance related and mental disorders. I was the Principal Investigator while at UM-Columbia (2007-2008) and then Co-Investigator when I moved to UMKC (2008-2011).
18. Implementation Consultant. *Integrated Co-Occurring Condition Treatment Services* (Odiam, PI). Health Care Foundation of Greater Kansas City to Tri-County Mental Health Services, Inc. 7/08 - 6/10. (\$31,150 contract).
This project assisted a community mental health center to implement evidence-based practices for consumers with co-occurring substance related and mental disorders, including conducting organizational level treatment capability reviews.

19. Implementation and Data Consultant. *Arkansas Advancing Recovery Partnership* (Ferguson, PI). Robert Wood Johnson Foundation. 2/08 - 1/10, \$360,000 total (\$34,196 contract).
This collaborative project with NIATx, was led by the Arkansas Department of Human Services, Office of Alcohol and Drug Abuse Prevention, to assist four state-funded substance abuse treatment agencies to implement the evidence-based practices of continuing care and case management.
20. Evaluation Director. *COSIG: Missouri - State Incentive Grant for Treatment of Persons with Co-occurring Substance Related and Mental Disorders* (Homer, PI). Substance Abuse and Mental Health Services Administration. 10/03 - 9/09, \$3,347,873 total (\$3,963 contract 10/08-9/09).
This project enhanced state infrastructure and assisted providers in implementing evidence-based practices for consumers with co-occurring substance related and mental disorders, and included a fidelity study and a longitudinal client outcome study. I was the Evaluation Director while at MIMH (2003-2007) and transferred to Co-Director when I moved to Mid-America ATTC (2008-2009).
21. Senior Manager of Evaluation. *Mid-America Addiction Technology Transfer Center Supplement with Oklahoma City Area Inter-Tribal Health Board* (Stilen, PI). Center for Substance Abuse Treatment, Substance Abuse and Mental Health Services Administration. 10/08 - 9/09, \$100,000.
The Mid-America Addiction Technology Transfer Center partnered with the Oklahoma City Area Inter-Tribal Health Board to revise a basic substance abuse treatment curriculum for use with healthcare workers providing services to Native American clients.
22. Co-Investigator. *Comparing Two Multimedia Science of Addiction Courses* (Epstein, PI). National Institute on Drug Abuse. 7/03 - 06/07, \$1,053,000.
This project compared the effectiveness of two science of addiction curricula (one didactic, the other embedded in a narrative story) for 4-6th grade children implemented through African-American faith communities.
23. Evaluation Director. *Enhancing Supports for Substance Abusing Youth* (Keehn, PI). Center for Substance Abuse Treatment, Substance Abuse and Mental Health Services Administration. 12/00 - 6/07, \$2,975,721.
