

## MSN-PhD Part-Time Program of Study

(49 credit hours of coursework + 12 credit hours dissertation = 61 Total Credit hours)

Year	Summers Years 1-5	Fall Years 1-5	Spring Years 1-5+
1	Research Institute I (N5603) (2) Responsible Conduct of Research (MEDB5561) (3)	Statistical Analysis I (N5612) (3) Theory I (N5608) (3)	Theory II (N5610) (3) Statistical Analysis II (N5622) (3)
2	Research Institute II (N5604) (2) Psychometrics (3)	State of the Science (N5631) (3) Collateral #1 (3)	Philosophy of Science (3) Qualitative Methods (N5670) (3)
3	Social Justice and Population Health (3)	Quantitative Methods (N5668) (3) Collateral #2 (3)	Collateral #3 (3) Research Design (N5666) (3)
4	Comprehensive Exam Prep (N5590) (1-2)	Dissertation (N5999) (1-6)	Dissertation (N5999) (1-6)
5+	Dissertation (if needed)	Dissertation (if needed)	Dissertation (if needed)

Comprehensive Exam Prep (N5590) is an elective that may be taken prior to the comprehensive exam. After the comprehensive exam is successfully completed, continuous enrollment, including summers, in dissertation credits (to total 12 credit hours) will be required. Students may enroll in 1-6 credits each semester, including summer, to remain continuously enrolled in dissertation hours. If more than 12 dissertation credit hours are needed to complete program requirements, students must continue to take one credit every semester, including summer, until requirements are met.

## MSN-PhD Full-Time Program of Study
